

PRIVACY POLICY

Effective date: 2026

This Privacy Policy explains how Centsy collects, uses, and shares information when you use the Service.

Information we collect

- Account data such as email address and login identifiers.
- Budget data including bills, categories, goals, spending logs, and reminder settings.
- Community content you submit, such as posts, comments, and tags.
- Usage and device data like IP address, browser type, and interactions with the Service.

How we use information

- Provide, personalize, and maintain the Service.
- Save and sync your budgets across devices.
- Send verification emails and reminders you enable.
- Improve features, analytics, and reliability.
- Detect abuse and keep the Service secure.

Sharing of information

- Service providers that help us host, store, analyze, email, and power AI features.
- Community content you post is visible to other users.
- Legal or safety disclosures when required by law.

Retention

We retain information as long as needed to provide the Service and meet legal obligations. You can request deletion of your account data.

Security

We use reasonable safeguards to protect data, but no system is 100 percent secure. Please protect your credentials.

Your choices

- Access, export, or delete your data on request.
- Update your account information in settings.
- Control optional notifications in preferences.
